FALL PROGRAM SEPTEMBER – DECEMBER 2022

We are delighted to present the fall 2022 program of events at the American Academy in Berlin. While we do hope to welcome our guests in person to the Hans Arnhold Center this fall, at the time of this printing the public health situation remains dynamic; event dates and formats may change accordingly. Unless otherwise noted, all events are hybrid. We therefore request that you **please visit our website, americanacademy.de, for the most up-to-date information about our programs and to register in advance for all events.** We remain committed to providing a safe environment for our speakers and guests and very much look forward to continuing our regular in-person programming as conditions allow.

The American Academy in Berlin was founded in 1994 as an independent, nonpartisan, and privately-funded institution. Dedicated to sustaining and enhancing the long-term intellectual, cultural, and political ties between the United States and Germany, the Academy awards residential fellowships at its Hans Arnhold Center to U.S.-based scholars, writers, policy experts, artists, and composers. Distinguished Visitors—leading figures from the U.S. in public policy, the social sciences, humanities, and the arts—come to the Academy for shorter visits.

The American Academy is funded through tax-deductible donations, which we greatly appreciate. Please visit our website americanacademy.de/donate for further information.
